

Professional Hearing Care

**509 North Union Street
Mauston, WI 53948**

Professional Hearing Care is pleased to announce that in Mauston, we will be demonstrating the latest and most innovative advancements in the Digital Hearing Healthcare Industry. In fact, we will be one of the first practices to display this new technology in the area!

***Laura Vinopal, Au.D.**, along with her professional staff will be on hand for a **3-day event - December 12th, 13th & 14th (Tuesday, Wednesday & Thursday) from 8:00 am - 4:30 pm.** During this special event, we will be offering the following **FREE OF CHARGE**:*

- Complimentary hearing screening.
- Thorough otoscopy exam. You may just have wax in the ear!
- Live Demonstration of the new Audéo B-Direct, which allows you to easily connect to any cell phone* and your television. This fantastic new technology is among the best we have seen in our history for more natural hearing.
- If you currently wear hearing instruments, they will be cleaned at no charge during your office visit.

Phonak Audéo B-Direct functions just like a Bluetooth wireless headset by utilizing its built-in microphones to pick up your voice for phone calls. Now you can hear the phone ringing directly in your hearing aids.

*This special event is for **3 days only!** We are sending this invitation to a select few of our neighbors. Please call early to make an appointment for the date of your choice. Appointments will go fast! Be sure to bring a friend or loved one - someone whose voice is familiar to you and you communicate with the most.*

*As our way of saying "**THANKS**" for stopping by and allowing us to introduce these new devices to you, **we will donate \$20 to Adams-Juneau County Habitat for Humanity® for every hearing screening appointment made and completed.***

*Contact our appointment desk today - **RSVP by calling (608) 678-3068.** Appointments are limited and remember there is no cost for these services during this three-day event!*

*P.S. We will be offering incentives toward the purchase of any New Digital Hearing System from Phonak. Remember, appointments are limited so please call **(608) 678-3068** today!*

*with Bluetooth® 4.2 wireless technology and most older Bluetooth phones
